

Wallboard TOOLS

NEW

SUPER MESH

Super Mesh is an innovative product from Wallboard Tools that lifts sanding to a new level.

This revolutionary sanding product has 1000's of holes that improves resistance to clogging. The anti-clogging capability of Super Mesh limits wear while maintaining optimum sanding conditions and a healthier work environment.

Super Mesh discs are 225mm in diameter and are available in 180, 220 and 240 grits. Recommended for use on Wallpro Power Sanders for a professional sanding finish.

- Anti clogging technology
- Uniform sanding pattern
- Reduction in airborne dust
- Produces superior surface finish
- Outlasts Super Pads
- Aluminium oxide grain
- Resin over resin bonding
- Polyamide fabric backing

SUPER PADS

Wallboard Super Pads – you can't go wrong!

Wallboard Super Pads are the leaders in:

- ✓ **PRICE**
Market leading prices
- ✓ **INNOVATIVE**
Superior design
- ✓ **QUALITY**
Clog and tear resistant
- ✓ **RELIABILITY**
Last longer than other brands
- ✓ **SAFETY**
Less airborne dust
- ✓ **SANDING FINISH**
Reduce swirl marks with Wallboard Super pads

Available in 120, 150, 180 & 220 grits in bulk packs of 25 or display packs of 5.

The rim of the pad is free from holes. That reduces tearing and scratching the surface of the Plasterboard.

Holes punched through the sandpaper and velcro backing prevents clogging and allows for superior dust extraction.

Well cushioned pad for more uniform sanding.

Genuine Wallboard Super Pad: use it and experience improved power sanding today.

Designed and manufactured for the Australian market.

POWER SANDER

First with innovative features

- ✓ **NO TIME WASTING ADJUSTMENTS**
Sanding head doesn't require adjustments when switching between sanding on walls and ceilings
- ✓ **SOFT START**
Original soft start motor
- ✓ **STANDARD VELCRO PAD**
Double sided velcro adaptor keeps sanding pad edges from curling. Large holes allow for improved dust extraction
- ✓ **QUALITY COMPONENTS**
First Power Sanders to incorporate long lasting SKF bearings
- ✓ **12 MONTH WARRANTY**
Purchase with confidence
